Mentoring/Strategic Partnering

Dear friend,

Thanks so much for your prayers and support for our ministry and family. We had a great but busy time over the holidays producing our CD, playing and traveling to see our kids!

We're thankful that we head into another year of ministry with good health and some good opportunities to invest in other artist's lives and ministries. A.C.T. Int'l. is continuing to see strong growth and with the addition of new staff comes the opportunity to help them establish their ministries and multiply their impact.

If you've had a chance to look at the A.C.T. ministry departments, you've seen a great diversity of artistic staff using their gifts to reach the world for Christ. Some are in other countries like France, Germany and Japan. Many are here in the U.S. One new ministry I am starting to coach is a husband and wife team who have a worship leadership ministry among several Korean churches in Texas, promoting multi-ethnic worship. Their ministry has expanded to reaching other Korean churches in the U.S. as well as in Korea, promoting intimacy, unity and diversity in Christ-centered worship. They also desire is to help send Korean worship artists into missions. Recently they led worship at the Calvin Symposium on Worship in Grand Rapids, MI. Their heart is to see multi-ethnic, multi-cultural worship grow in the church, which can be a great tool for outreach!

I am excited to help the Kim's transition from their former local church ministry to one of reaching out to other churches here in the U.S. and in Korea promoting unity and artistic missions. Please pray that God will give me wisdom in helping their ministry be authentic, effective and fruitful! This is a great step of faith for them and we're trusting God will use them mightily! ## *Petitioning Prayer!*

*'At the same time, pray also for us, **that God may open to us a door for the word**, to declare the mystery of Christ...' and later: "Epaphras, who is one of you... greets you, always struggling on your behalf in his prayers, **that you may stand mature and fully assured in all the will of God.**" From Paul writing to the Colossians, chapter 4*

I've noticed that the apostle Paul often prayed and often asked for prayer! So, if he needed prayer, we certainly do! Seriously, we deeply feel our need for prayer support and are committed to pray for you and your families. We continue to consider how God is moving in our lives and where He is leading us and we know that prayer is a mighty spiritual tool for discerning His will. We are especially looking for God's guidance in partnerships – both to do ministry and to support our ministry. So, thanks for your support in this way!

Of course, as our last letter said, the financial foundation for our work is still a great concern and we ask for your prayers for this too.

This shot is from last May to help you remember when it was warm! ☺

*We so appreciate your partnership with us. We serve a great God and pray His blessing and leadership on your lives and families!*

*Grace and Peace!*
