

Fall...the Haddixes...and you

Dear friends,

October 2009

October is one of our favorite months. It is a time of harvest, of seeing the fall colors, of celebrating both of our daughter's birthdays, college football, and much activity in ministry. We're involved with the Alpha course through our church as well as the church's annual spiritual campaign this year called "Reset". It's been fun to be around many young Christians through this and to learn from and with them!

We're also continuing to transition to our new ministry with Artists in Christian Testimony International. Currently we are developing training materials, working on music projects and looking for increased funding to sustain our ministry. A.C.T. Int'l. is quite a bit different from Keynote, but the focus is still the same: helping to carry out the Great Commission of Jesus! Both Keynote and A.C.T. have some very dynamic ministries going on right now in the U.S. and around the world. Plus next month the leaders from both ministries will be meeting to see how the ministries can learn from and resource each other! I think it blesses God's heart when He sees his children linking arms in the overall mission He's called us to! What would happen if our churches and others did more of this!

And speaking of linking arms, we are so grateful that you have continued to invest in God's work through us by your prayers and support. Thank you so much! Please know that we pray daily for God to sustain and bless you...that His Kingdom would come in rich and powerful ways to your lives!

We've enclosed a brochure from A.C.T. Int'l. to acquaint you a little more with it. Also, if you have not transitioned your giving to A.C.T., please do so as soon as possible. *Donations to our ministry must now be directed to A.C.T. Int'l. rather than Campus Crusade for Christ, where our account is closing.* We're sorry for the inconvenience this is especially if you have automatic withdrawals from your bank. As our last letter stated, you can make donations to our account by setting up automatic withdrawals from your bank account, using your bank's online bill pay, a check, or credit card. (Go to www.actinternational.org and click upper right: "making a donation".)

Thanks so much for your partnership with us. We covet your prayers that God would continue to show us His path and use us powerfully to reach others for Christ and build believers for His glory!

You are a blessing!

Grace and peace,
